ABSTRACT.

Petr states that there is a tope to the West of town planted by their ancestors who also constructed a well in it. That as no tax was attached to Janardan inamdars they constructed the annual produce of the divine service in the tope. That subsequently Govt prepared them in the tope by taking the produce after which they recently submitted a petition to the Dy. Collr praying that the tope may be restored to them with a view to improve it and utilise its produce for the above purpose. That he, accordingly thereupon he would write to Govt for the restoration of the tope to them and told them that they

Proceedings of the Government of Mysore

Read:-

Correspondence ending with the letter No 51 dated 8th July 1895 from the Deputy Commissioner Mysore District reporting the circumstances under which the restoration of a tope at Maudya comprising survey Nos 184 and 147 and measuring 11 acres and 3 guntas, and 11 acres and 31 guntas respectively, may be made over to the Janardanaswami temple at Maudya.

Order thereon No 8262-63/R 2706 dated Bangalore 5th March 1898

Under the circumstances represented in the correspondence read above, Government are pleased to direct that the two survey numbers 184 and 147 referred to above, continue unassessed and on the section

3 of the Mysore Land Revenue Code, land can be set apart for the following public purposes, viz:-

(1) for a public cope to be reserved by the said temple which should fill vacancies therein and indulge the sale proceeds of manure collected in the cope for temple purposes;

(2) for public well and water supply arrangements for the watering of Bandays, and

(3) for Camping ground for troops.

2 The arrangement should be recorded in the village accounts and the obligation of the temple trustees to keep the cope in a perfectly sanitary condition so as to admit of troops encamping there, must be fully impressed upon

upon them and their willingness
to undertake it must also be
duly recorded.

Sir,

I have the honor to state that the French Rocks Sub Division officer in his .No. 6/2 dated the 13th October 1903 reports that a retaining wall 80 ft long per month is necessary for guarding the tope belonging to the Sri Jagannathaswami temple at Manlya. The cost is proposed to be met from the savings of the current realisations for the repairs of the tope. Irrecoverable sanction may be accorded.
